FISCAL IMPACT: \$200,000

FUNDING SOURCE: Park Impact Fees

ACCOUNT NUMBER: 32-7680-40750

ISSUE:

Interlocal Agreement with Salt Lake County to participate financially in the planning and construction of Lodestone Park Near Diamond Summit subdivision.

SYNOPSIS:

Salt Lake County is beginning the planning and construction process of Lodestone Park at 6200 West Lodestone Ave (5990 S). More than half the park will be inside West Valley City limits. West Valley City will contribute \$200,000 towards the planning and construction of the park. An Interlocal Agreement is needed.

BACKGROUND:

Salt Lake County Master Plan indicates a park should be built in the area of 6200 West 6000 South near Diamond Summit. The County has 14.66 acres in that area including a portion being used as storm water retention. This will be a neighborhood park with parking, areas for open field play, a pavilion, drinking fountains, picnic tables, and possibly a restroom. Over 8.5 acres of the 14.66 are in West Valley City.

Salt Lake County Park Planning is hoping to get planning completed this fall-early winter, and start Construction in the Spring-Summer of 2009.

RECOMMENDATION:

Approve the resolution to enter into an Interlocal Agreement with Salt Lake County for Funding help on Lodestone Park.
